Grown on the alluvial gravel soils of the Martinborough Terrace during a perfect growing season for the district.

A warm dry summer allowed fruit to ripen wonderfully, producing powerful opulent fruit with the lime floral zest Riesling is renowned for. An off dry style (19g/l residual sugar) has been created, ideally to be enjoyed as an aperitif for something to liven up the taste buds.

It is an accurate reflection of Martinborough's unique terroir. Cellar for up to five years or more, successfully.
